

On Thursday, December 11, 2014, Carol Hall (President of Stellar Kent Corporation, North Branch, MN) and Linda Mason (Art Director of SKC) received HIST's Certificate of Appreciation Award for nine years of manufacturing HIST's Citation for Chemical Breakthrough Award plaques. The awards were presented by HIST member Elizabeth Ambrose Amin (Department of Medicinal Chemistry, College of Pharmacy, University of Minnesota). The ceremony was held during the December meeting of the Minnesota Local Section of the ACS and arranged by Becky Guza, Chair.
